

Corona Information for the District of Böblingen in Simple English :

Call the hotline:

- If you **have questions about quarantine**
- If you **had contact with an infected person**
and you would like an appointment for testing in the testing centres of the district of Böblingen.

Corona hotline

Telephone number: 07031/ 663 3500

Monday to Friday: 8:00-16:00

Saturday: 9:00-13:00

Sunday: closed!

- Many people call the hotline. You may have to wait for a long time. We politely ask for your understanding.

Home page Böblingen District Office (Landratsamt):

www.lrabb.de/start/Aktuelles/coronavirus

Consultations on the Corona hotline are possible in **English and Turkish**.

If you speak another language, you can ask if we can call you back. This is possible in some languages.

Testing:

Here you can find the **rapid testing centres:** www.lrabb.de/schnelltestzentren

You can make an appointment online

-Once a week you can be tested free of charge (gratis).

However, if you have a reason, for example:

- Contact with a positive person
- Symptoms

you can have more tests.

- People, who have had contact with Corona-positive persons (contact persons) can, with a referral from their family doctor or via the hotline of the Public Health Department (Gesundheitsamt),

get a PCR test at the PCR test centre in Sindelfingen:

Vogelheimweg 4-7 Sindelfingen

You can make an appointment via the **Corona hotline telephone number: 07031/ 663 3500**

Rapid tests are not as accurate, but the result is ready after 30 minutes.

PCR tests are more accurate and can confirm rapid test results, the result takes at least one day.

In case of **symptoms** or **discomfort**

- Call your family doctor (telephone)
- Search for a „specialised Corona practice“ doctor here:
www.kvbawue.de/buerger/notfallpraxen/corona-anlaufstellen/corona-karte
- **On the weekends and at night:**
 - Medical **on-call service: 116 117**
 - For life-threatening **emergencies the emergency number: 112**

If you do not yet know, if you are infected with Corona:

- Take a rapid test
- Stay at home until you know if you are positive.
- You should not have contact with other people

If the test is positive:

- Stay at home in quarantine
- The people who live with you must also stay at home – in quarantine
- The Public Health Department (Gesundheitsamt) will contact you

Then you will take a PCR test

- At your family doctor
- At the „specialised Corona practice“ doctor here:
www.kvbawue.de/buerger/notfallpraxen/corona-anlaufstellen/corona-karte
- At the PCR test centre

You do not have to pay for this PCR test.

Vaccination:

- ➔ Here you can read and find out if you can be vaccinated (vaccination eligibility)
Website www.impfen-bw.de

If you are eligible for a vaccination, you can make a vaccination appointment.
You will receive 2 vaccination appointments: 1st vaccination and 2nd vaccination.

Vaccination appointment **by telephone: 116 117**

Vaccination appointment online: www.impfterminservice.de/impftermine

Important:

→ For your own protection and for the protection of others:

Corona Rules (AHA + L –Regeln)

= Keep your distance (**A**bstand halten), wash or disinfect your hands (**H**ände waschen oder desinfizieren), wear a FFP2 or medical mask (**A**lltags-Maske) + regular airing of enclosed spaces (**L**üften). (Pictures)
