

## Implementation of the integration plan

Dr. Elena Anastasaki is responsible for the implementation of the integration plan. The specialist unit supports the implementation of the measures for integration provided for in the budget and is the point of contact for network partners. In addition, they monitor updates to the integration plan. Furthermore, Dr. Elena Anastasaki is the contact representative for the “Education and career”, “Integration of refugees in the labour market”, and “Interface management” committees, as well as for temporary work groups.
